It could change your world

**Prayer for
2011**

Father God,
We thank you for the year ahead
- a gift to us -
full of promise.

This year, we want to
know you more intimately,
follow you more faithfully,
share you more passionately
and worship you more deeply.

As we celebrate your Word, we pledge:

- To read the Bible - together and alone;
- To be trained by the wisdom of others;
- To give your Word to those without;
- And to experience your Scriptures in new and creative ways.

Holy Spirit,
speak through
the Word to us,
so that it might:

Be a lamp to our feet
and a light to our path;

Cleanse our minds and
burn with fire in our hearts;

Satisfy our needs, as our daily bread

And be as sweet as honey on our lips.

As your words
become our words,
May our lives reflect
the Living Word more clearly
And our love for the Word-made-flesh
become more strong.

For we ask this in the precious name
of our Saviour,
Jesus Christ,
Amen.
